

1 A I -- that's -- as to what might
2 happen, is always a factor, but not really.
3 The decision to move to a sports tier is about
4 [REDACTED] a year, and then -- and growing
5 every year to more than that now. What might
6 happen as a PR matter, as a legal matter, and
7 an image matter is a different story. And,
8 you're right.

9 Q Mr. Roberts, let me -

10 MR. PHILLIPS: May I approach,
11 Your Honor?

12 JUDGE SIPPEL: You may.

13 MR. PHILLIPS: I'd like to show
14 the witness what's, I believe, been received
15 into evidence as NFL Enterprises Exhibit 115.

16 JUDGE SIPPEL: 115. All right.

17 Let's test that one.

18 MR. PHILLIPS: My partner, Mr.
19 Schmidt, is nodding his head. And I trust him
20 all the time.

21 JUDGE SIPPEL: Does that mean that
22 you're away from the table, or that something

1 has happened otherwise?

2 MR. PHILLIPS: He's telling me
3 that it's been accepted into evidence, Your
4 Honor.

5 JUDGE SIPPEL: Thank you. This is
6 115. It's in the record. Let's ask some
7 questions on it.

8 MR. PHILLIPS: Yes, Your Honor.

9 JUDGE SIPPEL: It's identified.

10 BY MR. PHILLIPS:

11 Q Mr. Roberts?

12 A Yes, sir.

13 Q This has an email you wrote to Mr.
14 Burke, Mr. Cohen, copy to Mr. Watson, and Mr.
15 Bond, and Dave Scott. Correct?

16 A Correct.

17 Q And this is in response to an
18 email from Mr. Burke, who writes that you have
19 to make a decision on the NFL Network about
20 the Time Warner systems and putting them on
21 sports tier. Correct?

22 A Correct.

1 Q And he's asking you for the go-
2 ahead to give notice to put those on the
3 sports tier.

4 A Correct.

5 Q And you write, sir, in response,
6 "Go for it now! I suspect they are going to
7 bring a program access complaint re: us
8 discriminating between OLN and them. We
9 should be ready for this." Do you see that,
10 sir?

11 A I do.

12 Q And that's what you wrote to your
13 colleagues, Mr. Burke, and the others, sir.
14 Correct, sir?

15 A I didn't know if it was a
16 question. Yes.

17 Q Now, that didn't matter that they
18 were going to sue you, because you considered
19 yourself at war with the NFL by that time,
20 sir. Is that correct?

21 A Yes. The NFL had, at that point,
22 I think there had been a lot of conversations

1 between Mr. Bond and I think somebody named
2 Mr. Shaw, or his counterpart at the NFL, and
3 trying to get these systems launched as a
4 sports tier. And I think that it was very
5 clear to Mr. Bond, anyway, and he had
6 represented that to me, and others, that the
7 NFL was not acknowledging our right. And,
8 secondly, the NFL had gone to the FCC. There
9 had been articles in the trade press that the
10 FCC -- that the NFL had already brought an
11 action against Time Warner at the FCC over the
12 same matter at the FCC. And then, thirdly,
13 the NFL had declared war, I think that was
14 their phrase, against Cablevision, and Time
15 Warner, and said they were going to spend \$100
16 million in a marketing campaign, because they
17 had chosen not to carry the NFL Network. So,
18 I don't think it was a great surprise that
19 this would be the next venue. We already had
20 a contract in our minds unassailable with this
21 right, so the only possibility would be then
22 to make a charge of discrimination.

1 Q And in that context, the context
2 of war, sir, you made the decision to put the
3 NFL Network on a tier, at least with respect
4 to the newly acquired Adelphia systems. Is
5 that fair?

6 A We wanted to launch them.

7 Q Sir, when I took -- and when my
8 partner, Mr. Schmidt there, took your
9 deposition a couple of weeks ago, and he asked
10 you about this, what you said was, "When you
11 go to war, you know everything is in play."
12 Is that correct, sir? Is that what you said?

13 MR. CARROLL: Page reference?

14 MR. PHILLIPS: 199, 22.

15 THE WITNESS: "Everything is in
16 play", yes.

17 MR. PHILLIPS: I don't have any
18 further questions, Your Honor.

19 JUDGE SIPPEL: All right. Do you
20 want to check that, or are we all set on that?

21 MR. CARROLL: I'll let it be.

22 JUDGE SIPPEL: All right. Mr.

1 Schonman.

2 MR. SCHONMAN: Your Honor, thank
3 you for the opportunity. As much as I would
4 like to ask questions, I have none.

5 JUDGE SIPPEL: You have none.

6 MR. SCHONMAN: I have none.

7 JUDGE SIPPEL: How about your
8 colleagues?

9 MS. MUMAW: I have none, as well.

10 JUDGE SIPPEL: All right. Who's
11 going next?

12 MR. CARROLL: I have no questions,
13 Your Honor.

14 JUDGE SIPPEL: That leaves me.

15 No, I have no questions, sir.

16 MR. CARROLL: That's our last
17 witness, Your Honor.

18 JUDGE SIPPEL: All right. I thank
19 you. You're excused as a witness.

20 THE WITNESS: Thank you.

21 JUDGE SIPPEL: The witnesses can
22 talk amongst themselves now. We have nothing

1 -- that's it.

2 MR. LEVY: Your Honor -

3 JUDGE SIPPEL: I've got something
4 to hand out.

5 MR. LEVY: I have a housekeeping
6 matter, if you will.

7 JUDGE SIPPEL: All right. Let me
8 take care of mine first. We've got a decision
9 to give you. You can continue to speak. I'm
10 sorry.

11 MR. LEVY: Your Honor, I had
12 mentioned earlier in the week that we agreed
13 with counsel for Comcast on a procedure,
14 whereby each would designate excerpts from
15 depositions of witnesses that were not going
16 to be present in the hearing room.

17 JUDGE SIPPEL: Yes.

18 MR. LEVY: I have given to counsel
19 for Comcast, and counsel for the Enforcement
20 Bureau excerpts from three witness'
21 depositions. They reflect our designation,
22 Comcast's counter-designations. I'd like to

1 move them, mark them as exhibits, and move
2 them into evidence, if it's possible.

3 JUDGE SIPPEL: Surely. Are they
4 marked already, are they premarked, I should
5 say.

6 MR. LEVY: Well, they are not
7 premarked, Your Honor.

8 JUDGE SIPPEL: They don't have a
9 number?

10 MR. LEVY: They don't have a
11 number, but I'm prepared to assign them
12 numbers, if Your Honor may -- if I may.

13 JUDGE SIPPEL: Yes. I think, why
14 don't -- we've been using -

15 MR. LEVY: I know the next numbers
16 in sequence. They're 230, 231, and 232.

17 JUDGE SIPPEL: No problem with
18 that, Mr. Carroll?

19 MR. CARROLL: No.

20 MR. LEVY: May I describe them for
21 the record, Your Honor?

22 JUDGE SIPPEL: Please do. I

1 appreciate that.

2 MR. LEVY: 230 is the deposition
3 of William -

4 JUDGE SIPPEL: Hold it. Are we all
5 set? 230?

6 MR. LEVY: 230 is the deposition
7 of William Bridgen taken on February 13th,
8 2009. That's B-R-I-D-G-E-N. 231 is the
9 deposition of Russell Chandler taken in
10 Philadelphia on February 19th, 2009. And 232
11 is the deposition of David Cohen taken in
12 Philadelphia on December 19th, 2008.

13 JUDGE SIPPEL: All right. Those
14 numbers will be assigned, and they will go in.

15 (WHEREUPON, THE DOCUMENTS REFERRED
16 TO WERE MARKED AS EXHIBIT NOS.

17 230-232 FOR IDENTIFICATION.)

18 JUDGE SIPPEL: Now, have they been
19 -- do we have an expurgated version, a
20 redacted version, or is that the whole deal?

21 MR. LEVY: That's all I have, Your
22 Honor.

1 JUDGE SIPPEL: Is that all we
2 need? I mean, can we just -

3 MR. LEVY: Well, one of the
4 depositions, at least, is marked highly -

5 MR. CARROLL: Yes, we have no
6 objection, but we have to, subject to our just
7 checking, because they have designations,
8 counter-designations.

9 MR. LEVY: That's fine. And if
10 there are things that you want to redact,
11 that's fine, as well.

12 MR. CARROLL: So we just need to
13 check that, Your Honor. And, in addition, the
14 parties had agreed, and I think we need to
15 keep the record open, and not closing it
16 today, because there may be some additional
17 deposition designations to follow.

18 JUDGE SIPPEL: It's open.

19 MR. CARROLL: So, we will
20 expeditiously review these, and confirm that
21 these designations are fine with us, and
22 whether there are any redaction issues. And

1 we will also get in promptly any additional
2 designations, deposition designations between
3 the two parties, as we had agreed.

4 MR. LEVY: That's fine with us,
5 Your Honor. Maybe we could shoot to do that
6 by Tuesday or Wednesday.

7 MR. CARROLL: That would be better
8 than by this evening.

9 MR. LEVY: Yes.

10 JUDGE SIPPEL: Oh, yes. Well, I'm
11 going to be tied up next week, anyway, so you
12 may be, too.

13 MR. CARROLL: I won't have the
14 pleasure of being here next week.

15 JUDGE SIPPEL: They wore the team
16 out?

17 MR. LEVY: We can do it by Friday,
18 then. I had forgotten that you have your
19 hearing next week. If we do it by -- agree to
20 have it done by Friday for you, Your Honor?

21 JUDGE SIPPEL: Yes. Just keep us
22 informed by email of what's going on.

1 MR. LEVY: We will do that.

2 JUDGE SIPPEL: Ms. Gosse, and
3 myself, and also Ms. Bergold, too. All right.

4 Do I have anything more?

5 MR. LEVY: I don't think so.

6 JUDGE SIPPEL: Oh. Remember we
7 talked about this. I wanted the letter in the
8 record. That was what, that was the letter
9 defining the fact that you were not going to
10 get -- that NFLN was going to get the package,
11 and not Comcast after the 27th, and January's
12 telephone call. There was a final letter that
13 came from the NFL, from the League to Comcast.

14 Is that right?

15 MR. CARROLL: I think it's the
16 tiering communications you're referring to.

17 Well, I -

18 JUDGE SIPPEL: Well, whatever -

19 MR. CARROLL: -- don't want to
20 presume to know. I remember there was a
21 question you asked, I thought, about was there
22 ever any follow-up letter with respect to the

1 tiering, moving things to a tiering that went
2 back and forth between the two sides. I
3 remember that inquiry.

4 MR. SCHONMAN: That's right. We
5 knew there was a telephone call, but you
6 wanted a letter.

7 JUDGE SIPPEL: Well, the telephone
8 call -- that was the -

9 MR. SCHONMAN: Yes, and then you
10 wanted a letter, I believe.

11 JUDGE SIPPEL: I asked the
12 question. Yes, well, was this ultimately
13 followed up by a letter. And, apparently, it
14 was not.

15 MR. CARROLL: It was not, Your
16 Honor. And I think the other side would
17 agree, there was the phone call, and the next
18 day it was announced, there was a press
19 statement about the games having gone to the
20 network, and there's no additional letter with
21 respect to the OLN package, and the eight
22 games.

1 JUDGE SIPPEL: All right. Well, I
2 was just trying to tie that date. I mean,
3 yes, we get the phone call, we got a lot of
4 testimony about it, but we don't have a
5 definitive document. And I guess the press
6 release would help, but I don't think we need
7 it.

8 MR. CARROLL: Okay.

9 JUDGE SIPPEL: What's the
10 correspondence now you were talking about on
11 the tiering?

12 MR. CARROLL: I thought you had
13 asked at some point, maybe that -

14 JUDGE SIPPEL: I probably did
15 earlier.

16 MR. CARROLL: I misunderstood.
17 I'm still trying to get what you were
18 referring to now.

19 JUDGE SIPPEL: Go ahead. Well, is
20 there anything on tiering that we -- is there
21 a series of letters on the tiering?

22 MR. CARROLL: I think you get into

1 lawyers -

2 JUDGE SIPPEL: Oh, the protected?

3 MR. CARROLL: There is all sorts
4 of communications between the lawyers in this
5 room that -

6 JUDGE SIPPEL: That I don't know
7 about, and I don't want to know about.

8 MR. CARROLL: I don't -- from our
9 side, I have no need to offer them.

10 JUDGE SIPPEL: All right.

11 MR. CARROLL: I don't think the
12 other side has either. And, frankly, it's
13 probably a blessing for -

14 JUDGE SIPPEL: I hear you. I'm
15 satisfied.

16 MR. CARROLL: Okay.

17 JUDGE SIPPEL: The record is open
18 for a reasonable period of time to get these
19 loose ends cleared up. And you let me know
20 definitively at least by email when it's ready
21 to close, and I'll close it. Now, it's going
22 to be from that period of time -- actually,

1 it's got to be from the period of time that
2 you get the transcripts. And since you're
3 getting -- we're going to start running the
4 clock, what did I give you, three weeks?

5 MR. CARROLL: We're going to
6 request that the last transcript take four
7 weeks. No, I'm kidding.

8 JUDGE SIPPEL: Everybody is in a
9 hurry here, and I'm not that much in a hurry.
10 If you want to wait a little bit.

11 MR. LEVY: Your Honor, can we talk
12 to Mr. Carroll about these additional
13 deposition submissions, and I'm sure we can
14 agree on a date within the next 10 days or so,
15 where we'll deem the record closed, and the
16 clock start to run.

17 MR. CARROLL: I think that's a
18 very fair suggestion.

19 JUDGE SIPPEL: Well, you might
20 also just give me a -- also, at the same time,
21 just give me a specific date that you're going
22 to be filing your first round of proposed

1 dates here.

2 MR. CARROLL: Yes, we'll do that.

3 MR. LEVY: We will do that, Your
4 Honor.

5 JUDGE SIPPEL: Much easier that
6 way. Right. We know what's going on. It's
7 got to be a clean version, plus a redacted
8 version. And I was talking about -- again,
9 this is optional about the proposed decision.

10 Draft your ideas on a decision, and maybe it
11 would make more sense to do that at the end
12 after the replies come in. Does that make -

13 MR. LEVY: Sure.

14 MR. CARROLL: Yes.

15 JUDGE SIPPEL: Okay. All right.
16 Is that okay with you? I have nothing more.
17 Thank you very much. The record is open. The
18 hearing phase is terminated. Everybody has
19 acted professionally, generously, and every
20 other which way. It was a very positive
21 experience from where I am.

22 MR. CARROLL: Your Honor, on

1 behalf of all the lawyers on both sides, may
2 I thank you, and your terrific staff,
3 especially Mary, for all the courtesies this
4 week, and I hope we have not disrupted
5 courtroom physical space too much, and we'll
6 do our best to clean things up this afternoon
7 after we leave. And I thank all of you again.

8 JUDGE SIPPEL: Appreciate that.

9 Can they have access to -- thank you very
10 much, Mr. Carroll. Now, let's go off the
11 record.

12 (Whereupon, the proceedings went
13 off the record at 4:08 p.m.)
